

Sweden patient group funding

Posithiva gruppen

Posithiva Gruppen (The Posithive Group, PG) is a nationwide non-profit, politically and religiously independent companion and support organization. Their purpose is to educational people living with HIV, give support and offer psychosocial activities and create a forum for exchange of experience. They also work for the rights for people living with HIV and to increase knowledge about HIV in the Swedish society, including working against stigma and prejudice.

We have supported this group since 2007.

During 2019:

- GSK provided a funding of 54.127 SEK, for the project: "World AIDS Day 2019". A memorial service for everyone lost in AIDS, with speakers and performances.
- GSK provided a funding of 4.500 SEK, for the project: "Provsvaren ger inte alla svaren". A campaign to encourage dialogues about treatment and life for people living with HIV.
- GSK provided a funding of 230.000 SEK, for the project: "Jag har fattat grejen!". An event and campaign during PRIDE 2019 dedicated to raise awareness of the fact that treatment of HIV is preventing the virus to be transmitted.
- GSK provided a funding of 210.000 SEK, for the project: "Jag har fattat grejen!". An event and campaign during PRIDE 2019 dedicated to raise awareness of the fact that treatment of HIV is preventing the virus to be transmitted.

Hiv-Sverige

Hiv-Sverige is an umbrella organisation. They work for the rights for people living with HIV (PLHIV) in society. Hiv-Sverige goals are:

- Work against discrimination of PLHIV.
- Try to abolish negative attitudes against PLHIV.
- Work for equal rights in society for PLHIV.
- Improve conditions for PLHIV.
- Promote PLHIV's position in society.
- Facilitate for PLHIV to return to work life.

We have supported this group since 2009.

During 2019:

- GSK provided a funding of 23.000 SEK for the project: "Heroes within the health care system". A half day-seminar to honor the Candle Light Memorial Day (17th of May 2019) and to put focus on the work of HIV-prevention.
